

## OP - MINDFULNESS PACKING LIST

- **Requirement for Mindfulness:** We do not carry equipment, but we want to prepare for different types of weather.
- **Borrowing equipment\*:** Items in **bold** can be borrowed from the OP store before the bag check by depositing a refundable TZS 10,000\*\*.
- **Bag check:** students will be required to bring their fully packed bag (using the equipment list attached) to the OP store for checking.
- **Breakfast and lunch on the first day:** Day Students must bring. Residential Students will get it from the canteen.
- **Prioritize synthetic fabrics:** these are lighter, take less space in the bag, are efficient to regulate body temperature, and dry fast. Avoid cotton.
