

Student Responsibility:

As the recipient of this opportunity I will be my country's ambassador to UWC East Africa. It is a great privilege to me to be offered this chance and I realize that this opportunity comes with significant responsibilities. I hereby undertake to respect and act in accordance with the expectations outlined above and to observe the rules and regulations of the school. In taking up my place, I understand and agree to commit to the full two-year programme. If I voluntarily withdraw from the programme without agreement from the Director of UWC East Africa, or violate the rules and expectations and am asked to leave, then there is an expectation and obligation for me and my family to re-pay any scholarship amount or donate an equivalent amount to the School for future students.

I understand that while I am not yet 18 years of age, the School has the right to be in direct contact with my parents / guardians and my National Committee including regarding my progress and welfare.

Once I am 18 years of age, I authorize the School to be in direct contact with my parents / guardians and my National Committee regarding my progress and welfare. This includes the routine sending of my Semester reports. In matters relating to my health and to discipline (including academic discipline), I authorize the School to make contact with my parents / guardians and National Committee with, when circumstances permit, my prior knowledge.

I authorize the School to communicate my university offers to the School staff, my National Committee, donors, UWC International and in the College Annual Report.

I understand that if I turn 18 during the course of my enrolment at the School, I will be asked to re-sign this Contract of Enrolment, and that the re-signing of this Contract of Enrolment is a condition of my continued enrolment at the School.

By signing the Contract of Enrolment, I agree to the above stipulations. I also agree to re-sign the Contract of Enrolment upon turning 18 years old.
