- 2. GROUNDLING COMPANIES IN ZANZIBAR**

EMERGENCE INSTRUCTIONS FROM THE REVOLUTIONARY GOVERNMENT OF ZANZIBAR TO ALL SCHEDULE FLIGHTS OPERATING IN ZANZIBAR TO PREVENT SPREADING OF CORONA VIRUS

Kindly refer the above mentioned subject

The Revolutionary Government of Zanzibar to further mitigate COVID 19 outbreak is hereby imposing 14 days quarantine to all international passengers arriving with schedule flights effective from 23th March 2020 in the following procedures:

- a. All international arriving non resident passengers and any other nationals without valid residence permits will be allowed to enter Zanzibar provided they proceed on quarantine as designated by Government.
- b. All arriving Tanzanians citizens and any other nationals with valid residence permits will have option to either be proceed on quarantine as designated by Government or be served with stay home notice (self quarantine) of which they will be required to remain in their place of residence at all times for two weeks after arriving.
- c. Disembarked Pilots and cabin crew changes will be quarantined at the airlines designated hotel.

Kindly be informed that all costs associated with quarantine shall be met by the passenger and the airlines shall ensure that the passenger has prior booking at any of the government designated quarantine areas.

All airlines shall ensure that passengers fill health forms on board the aircraft before disembarking. The duly filled forms shall be handed over to the Ministry of Health personnel
